

St. Anthony's Catholic Church

536 Main Street
Hoven, SD
Potter County

The Cathedral on the Prairie was completed in 1921. It was built to hold 1,200 souls, even though the population of Hoven was only 600 at the time. The church is based on a one-thousand year old cathedral in Ruhmannfelden, Bavaria.

If you can find Hoven, you can find St. Anthony's.
